WAYARIAN/67

PRESENTED BY THE CLASS OF 1967

WAYNESBORO, PENNSYLVANIA

FOREWORD

Can it be possible? Has another year ended? Where did it go so swiftly? It seems like just yesterday that the sophomores cautiously entered, the juniors gladly moved up, and the seniors jubilantly acquired the top spot. And now —it's all over.

Indeed the 1966-67 school year has reached its end. And just where did it go? With the lingering whispers of the endless train of events—from the thrilling sports contests to dreamy dances to dreaded tests—the action-packed year has become a thing of the past and slipped into the confines of our memories. We of the staff hope that the 1967 Wayarian can serve as key to unlock and revitalize your storehouse of memories.

Assembling this yearbook was a unique and enriching experience. Just try to imagine the satisfaction of finally completing over 200 pages, each designed to capture the action of our year. The long hours and the last minute rushes will have been worth it all if you—the reader—enjoy your yearbook as much as we—the staff—enjoyed compiling it.

In Memoriam

**WHAT HAVE
I MORE**

Please, may I have some more?

Just a little push.

Well, I did what
I was told, but ...

Did we want red or orange?
Do you want 6 or 7 strips?

Whose job was this anyway? ...

Sing along with ME ...

Such an interesting class!

Then she told her to ...
Yeah she did!!!!

THAT'S WORTH

The Trojan game?
Yes you bet we won!

OOPS! Another Wayarian photographer just popped into the room.

THE KNOWING

Are you sure it isn't an inch above the knees?

Please! Not in my eye!

WHAT

HAVE

I

DONE

It sure has been a long time!!!

You can't get your picture taken looking like that.

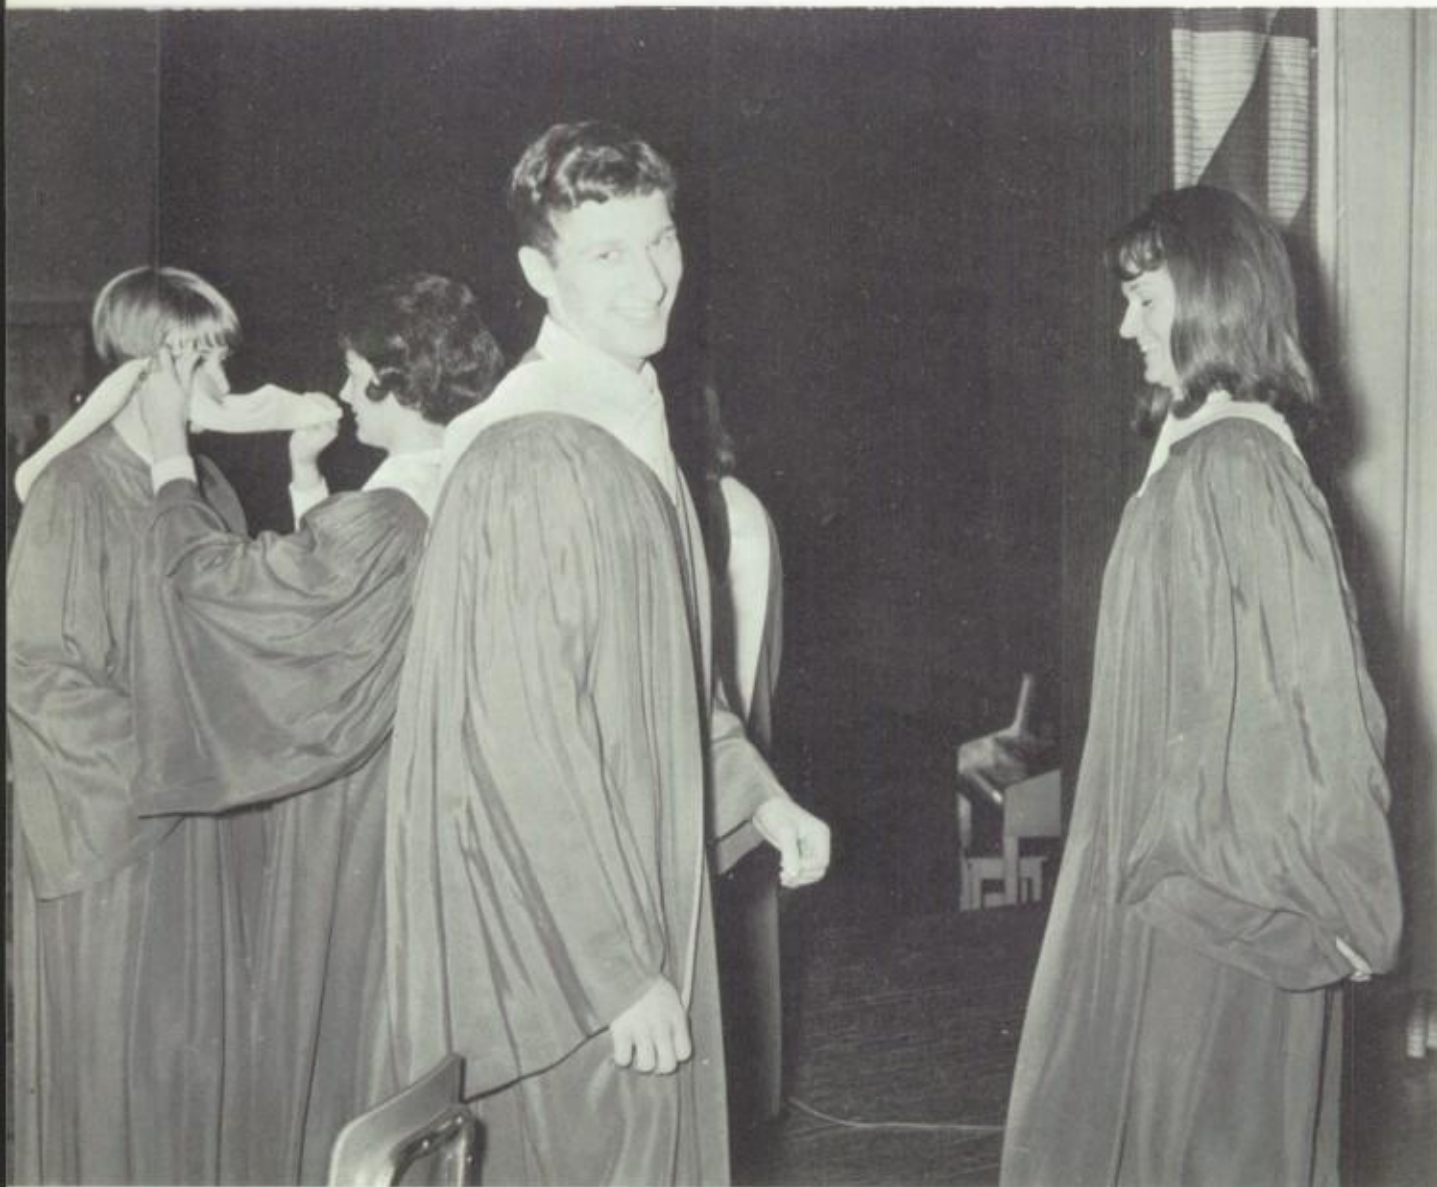

I feel so ashamed.

Who, ME?

Finally, they're finished.

THAT'S
WORTH

Wait'll Dad hears about this!

Garcon, two pomegranates for my friends, please.

Interesting . . . isn't it?

Quiet! Artists at work!

THE DOING

On the road to victory.

What now!

How much longer do I have to sit here?

Do you know what you are doing?

Yes, I go ten inches this way and eight that way ...

That should take care of it.

WHAT DUTY . . .

The fork goes on the
right, or!
Is it the left?

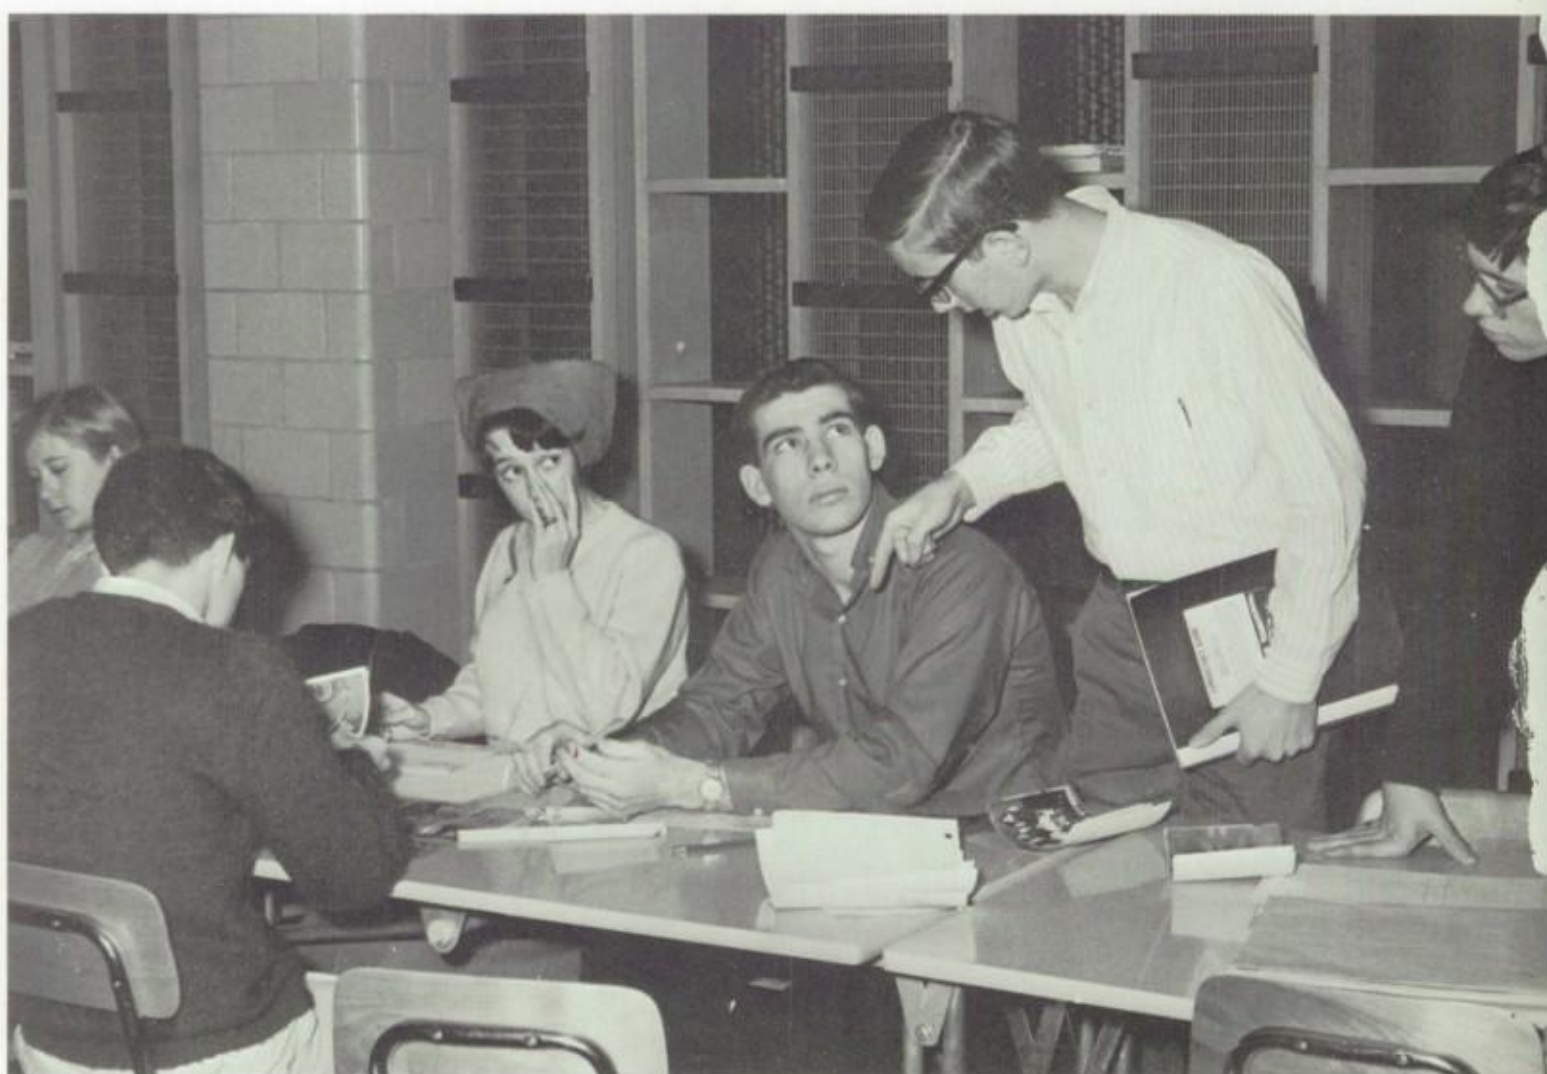

Well, I don't like *that*, Mr. K.

Get those lines, OR ELSE!!

Looke here, it just *ain't* that way!

HAVE I LEFT UNDONE

All right, who taped our sampan to the floor?

Oh, no! What'd I forget last night?

Would you believe ... we're going on a safari?

Nope, they taught me that already.

Who put that fly paper here???

Do I see gum?

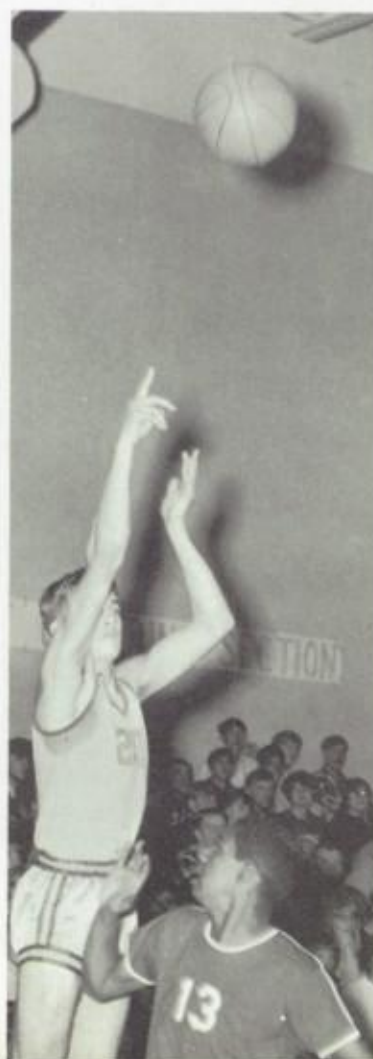

INTO . . .

Nobility in this school?

So you're the ones who put the opaque glass in!

In I say or I will
turn you into a
horse!

WHAT FOLLIES

Don't move—I can't find my contacts.

All right, who hooked 'em all together?

Are you sure it's the "right" color for me?

NEW

RUN

Errrrrrrr

What's up, Judge?

We gotta get out a' this place

And now for a break . . .

They sure didn't inquire very much!

THESE SELF

After all the learning, now the problem is drawing it.

I thought the day would never end.

My job is helping everyone.

After all those weeks of planning, we're almost done.

INQUIRIES ARE THE ROAD . . .

ADMINISTRATION AND FACULTY

To Kay - a fellow subject of Mr. Haddock's
 many thanks.
 Good but always in the coming year
 and please pay the rest of the
 popcorn class makes it too!

SUPERINTENDENT OF SCHOOLS

Dr. Jacob N. Wentzel

Dr. Jacob N. Wentzel, formerly of Wilmington, Delaware, is the new superintendent of the Waynesboro Area School District.

Dr. Wentzel, a native of Berks County, received his B.S. degree from East Stroudsburg College in 1953, his M.Ed. from Temple University in 1959, and his doctorate from the same in 1964. Since January of 1961, he had served as assistant to the superintendent of the Alfred I. Du Pont School System in northern Delaware.

Dr. Wentzel is a member of the Delaware State Education Association, the National Education Association, the American Association of School Administrations, and the Phi Delta Kappa Honor Education Fraternity.

Dr. Wentzel's professional qualifications are impressive, but his personal qualifications are equally impressive.

He is an individual of unusual scholarship who loves the out-of-doors and sports. His wide range of interests unquestionably enhance his capabilities as chief administrator.

Dr. Wentzel's wife Hazel also has a doctorate from Temple University and is a specialist in curriculum and supervision. They have one son John, who is a year old.

Saying "welcome" would be a small way of letting Dr. Wentzel and his family know how happy we are to have them—not only in our school system but in our community. We pledge to them our friendship, our talents, and our help.

Dr. Wentzel, John, and Mrs. Wentzel

BOARD OF DIRECTORS

Our Board of Directors manages the organization of our entire merged school district and is responsible for hiring teachers, outlining the school calendar, and establishing and carrying out school policy. Their capable management makes our school system the successful organization that it is.

PRINCIPAL

Indian chief of the W.A.H.S. wigwam is Louis M. Barlup, Jr. Although busy, our principal is always ready to assist any student or faculty member with a problem. With a firm hand he directs the school to bigger and better achievements.

A sports enthusiast, Mr. Barlup may often be found watching a football game, a wrestling match, a basketball game or playing golf. In his rare moments of leisure, he enjoys reading historical novels. A member of Rotary, he is an outstanding citizen of our community.

Mr. Barlup was graduated from Shippensburg State College and received his M.Ed. at Western Maryland College.

ASSISTANT PRINCIPAL

Mr. Joseph F. Davison, our capable assistant principal, is usually engaged in his time-consuming duties: supervising attendance records, coordinating class activities, and meting out necessary disciplinary measures. He also organizes school assemblies, manages the activities calendar, handles school requisitions, and prepares the budget. He coordinates club and class trips and is in charge of orders for class rings and announcements.

His friendly personality and droll sense of humor have won him the respect and friendship of everyone at W.A.H.S. He takes time out from his busy schedule to go horseback riding and to farm.

He received his B.S. degree from Shippensburg State College and his M.Ed. degree from Western Maryland College.

HEALTH AND PHYSICAL EDUCATION

The physical education department aims to keep students physically fit and acquaint them with the fundamentals of popular team sports. Mr. Gottshall, head of the department, and his staff strive to offer the students a beneficial program of physical fitness.

Health, given to seniors only, makes the students aware of the importance of personal hygiene. Students learn first aid and civil defense measures along with other studies.

FINE ARTS

The goal of the music and art department is to instill in students an appreciation of all the fine arts. Music and Art Appreciation, an elective course, is an intensified study of the past and present culture of the fine arts of the Western World. Specialized instrumental groups include Brass Choir and Woodwind Quintet. Besides the choruses, special vocal groups, Madrigal, Ensemble, and Octet, offer interested choir members the opportunity to further their musical background. Art may be taken either as a hobby or in preparation for study beyond high school.

SCIENCE

Since biology is a required course for all sophomores, everyone in the school comes in contact with the science department headed by "Doc" Shively. Elective courses include chemistry, physical science, physics, and advanced biology. All science courses offer study in fundamental scientific principles and their practical application.

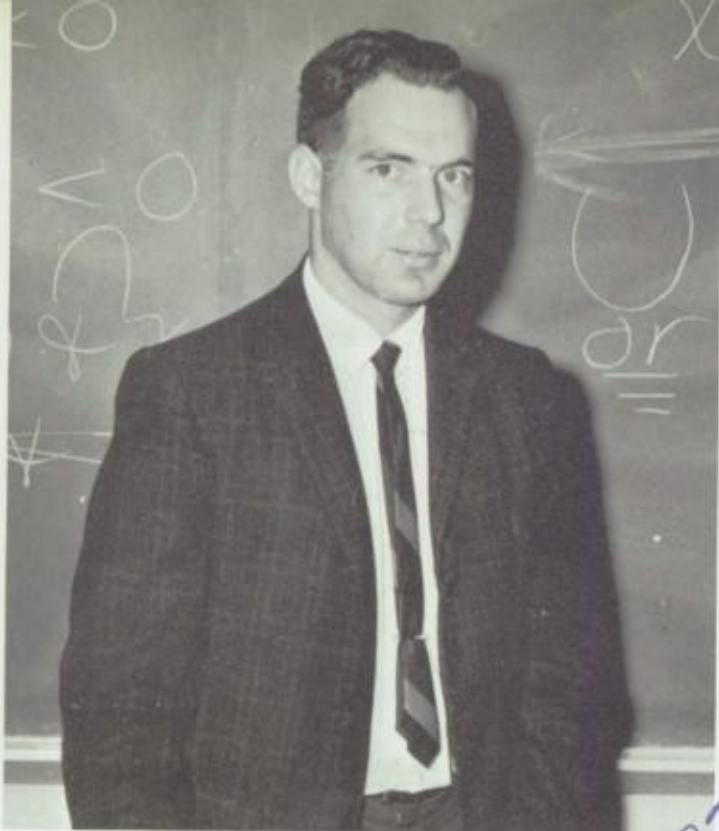

Advanced biology gives a thorough course of study to students interested in pursuing a biological or medical profession.

LANGUAGE

Four foreign languages are offered at W.A.H.S.—Latin, German, Spanish, and French. Latin II introduces the student to the Roman Empire and helps him increase his vocabulary. Further study is based on the literature of Virgil and Cicero and other Latin writers during the first, second, and third centuries particularly. The primary goal of studying German, Spanish, of French is to enable the student to speak fluently and give him an awareness of the culture of the particular country and its people.

DRIVER EDUCATION

There are three different procedures used in teaching driver education. The first of these is the classroom study of Highway Safety required of every junior. The second is driving in the school car, which is offered to anyone of age. The last is the newest facility of this department. This is a set of eight simulators which reduce actual driving time and enable students to be confronted with driving hazards without danger. The responsibility of teaching young people the fundamentals of safe driving rests with Mr. Stum and Mr. Rankin.

BUSINESS

Business education is vocational in nature and is geared to the student who desires to go to work immediately after graduation. This department trains students to become competent for the many tasks of the business world. These business skills lead to increased job opportunities and advancement.

Typewriting, salesmanship, business law, shorthand, business arithmetic, and book-keeping are the courses offered. Office practice culminates many of the procedures and practices used in modern business for which students are being prepared. Key punch, a data process procedure, is the latest skill to be introduced into the business education department.

(Moore)*

The sophomores were welcomed to W.A.S.H. in September with a Hi-Hop, and we quickly distinguished ourselves as a spirited, active class. Our first accomplishment was to win first place in both categories (secular and religious) of the Christmas bulletin board contest. We were diligent in the All-School Production ticket sales and undertook a big class project (a turkey dinner) and made a huge success of it. We were also very active in school organizations and activities.

We are looking ahead to our next two years enthusiastically and are planning to make those years bigger and better than this past one.

CLASS OF 1968

May, Best of luck in the future as in the past. I will never forget the good times we had in Biology. M.A.A. Paul Phister

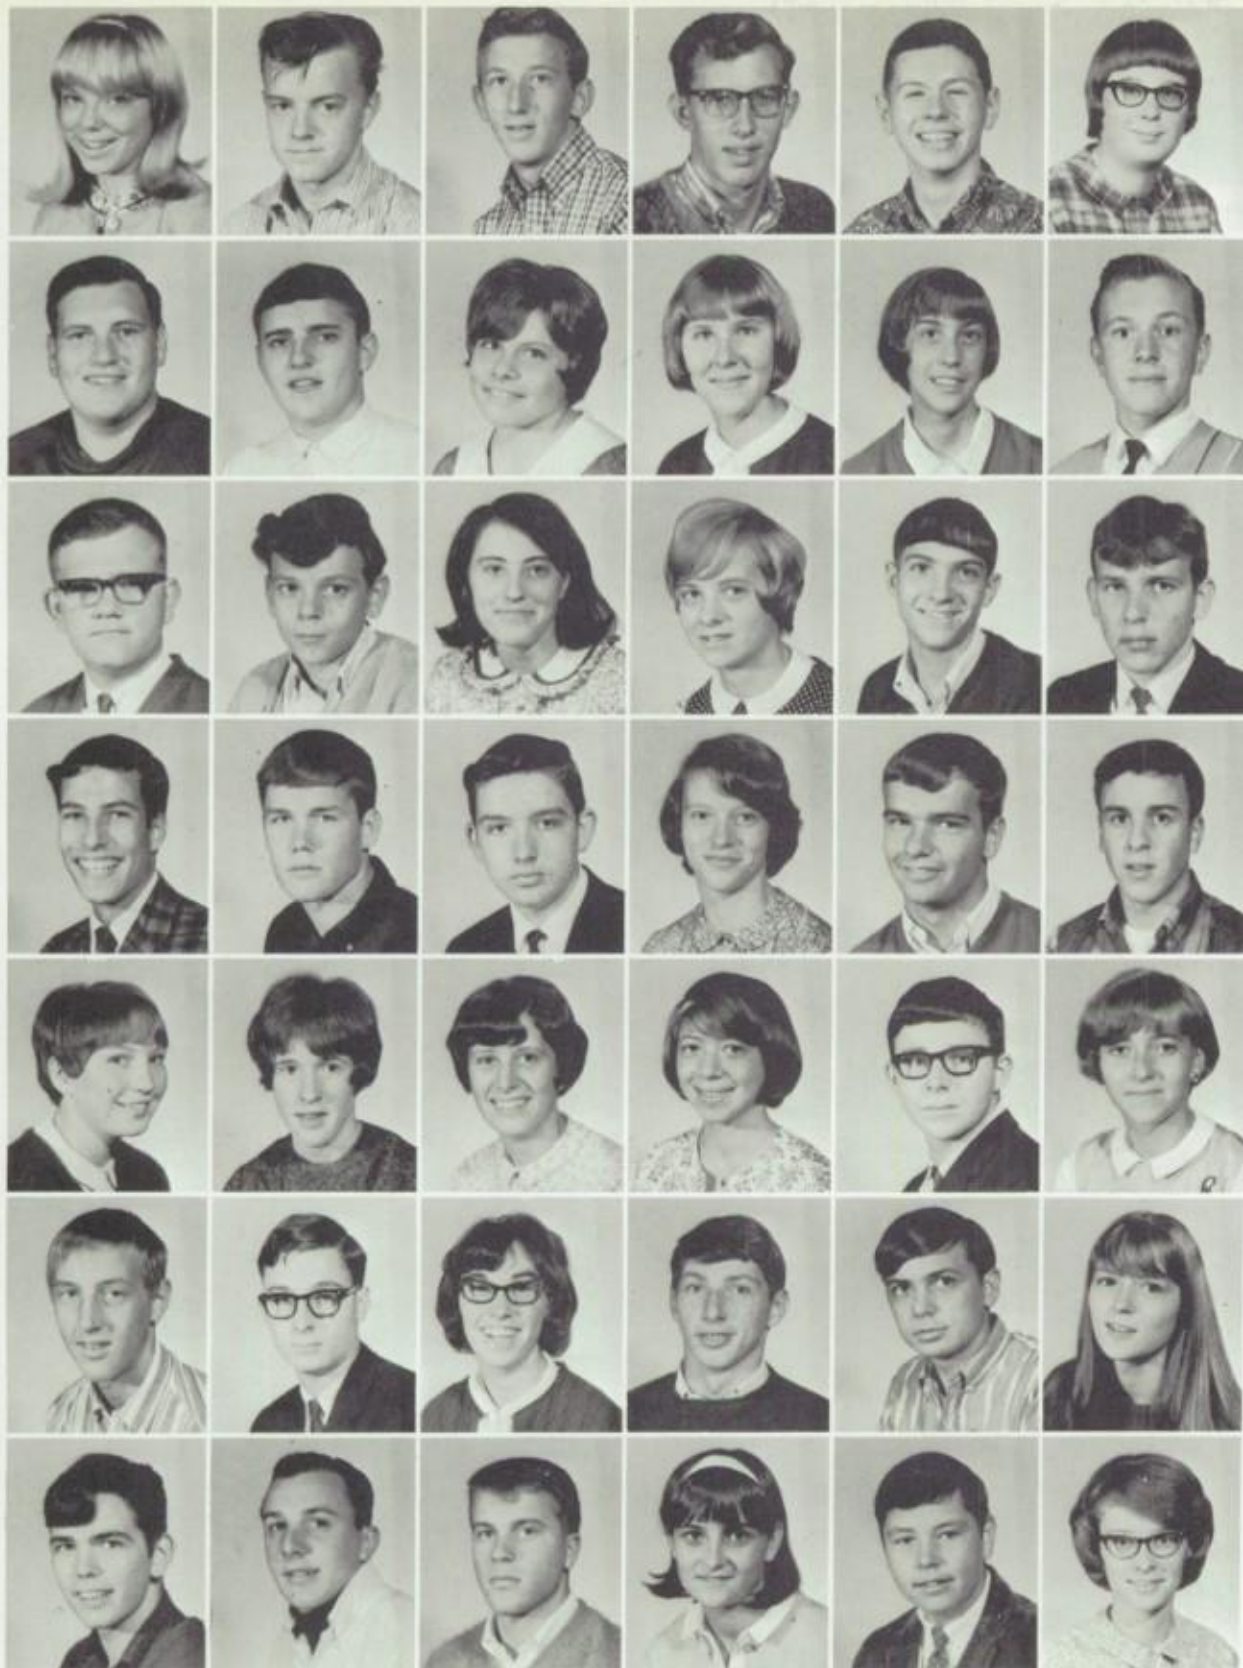

CLASS ADVISOR: Mrs. Glover

We juniors returned to W.A.H.S. as upperclassmen ready to enjoy being a notch above the sophomores; before long we proved ourselves "really great."

A big push the eleventh hour insured the complete success of this year's project, selling linen calendars, and we rated a second place in the bulletin board contests over the Christmas season. No sooner had we ordered our class rings, than the time for the all-school production rolled around. We were really proud of the junior participation in all phases of "Brigadoon" and equally proud of our Junior-Senior Prom.

CLASS ADVISORS

Mr. Creager

CLASS OF 1967

In September of 1966, we returned to W.A.S.H.S. to complete our final year of high school. Soon after the novelty of the first week wore off and the grind began, we ordered our senior pictures which had been taken during the summer. Next came our biggest project of the year—selling peanut brittle; with a tremendous team effort, we pushed our sales over the top, sold 6500 boxes, and made enough money to finance a rewarding class trip to New York City.

We no sooner had turned in the last of the candy money when it was time to order graduation announcements and name cards—thoughts of graduation caught up with us.

Our next undertaking was selling tickets for the all-school production, "Brigadoon." We were proud of the outstanding senior participation, not only in ticket sales, but also in the cast, the chorus, the orchestra, and the behind-the-scenes committees. We participated in school activities, sports, and organizations and also enjoyed an unforgettable Junior-Senior Prom.

We now look back beyond graduation on the three years we spent at W.A.S.H.S. with pride and satisfaction.

'67 Class Song

In the com-ing years we'll see Joys we've left be-hind,

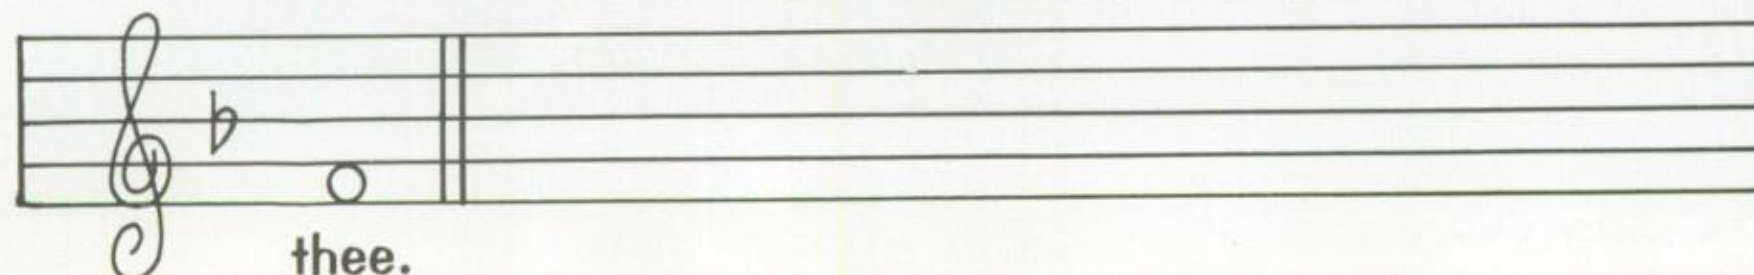

And the days we've spent with thee We will keep in mind.

As the years go pas-sing by, We shall al-ways be

Part of thee dear Waynes-boro High Though we are far from

thee.

THROUGH THE YEARS . . .

Look not mournfully into the Past. It comes no
back again. Wisely improve the Present. It
is thine. Go forth to meet the shadowy Future,
without fear, and with a manly heart.

Henry Wadsworth Longfellow

Just 3 short years ago, the
class of 1967 made its debut
at WAHS and now they are
only a part of its history.

After only one week of
school, as sophomores the class
of 1967 was organized well
enough to construct a float
for Color Day, Oct. 1964.

This we followed by a successful calendar
sale. Even more successful were our projects
for our junior and senior years—peanut
brittle sales. We became the wealthiest
class in the school's history from the profits
of these sales.

In our junior year, we turned the spartan look of the gym into a beautiful fantasy—Oriental Sunset. As versatile seniors, we again built a float within one week which added to the color of Blue and Gold Action Day, 1966.

Over Christmas vacation, 1966, we enjoyed both the ice of a Christmas snow and the frosty blueness of the Snoball Dance decorations. Our last fling as a class was our unforgettable class trip.

As we graduated, we took time from revelling in our new freedom to seriously express our gratitude to our advisors and officers for their guidance through our high school years.

EAST MEETS WEST

AS CHARLIE COMES TO THE COLONIES

Row 1: Raymond Lenharr, Mrs. Raymond Lenharr, Mr. Raymond Lenharr
Row 2: Carluccio Bianchi, Urtha Lenharr

The American Field Service, a world-wide organization through which the United States exchanges students with foreign countries, has for the fifth consecutive year sponsored a foreign exchange student in Waynesboro.

Mr. Thomas MacBride, president of the local chapter of the A. F. S., has realized the goals of his organization: to bring the countries of the world closer together, to broaden views and interests, and to exchange ideas and cultures.

Carluccio Bianchi, better known to us as "Charlie," came to us from the village of Cascinagrossa, Italy. After arriving in New York by the ocean liner *Seven Seas*, Charlie traveled by train to Philadelphia where he was met by the Lenharrs. As the "son" of Mr. and Mrs. Raymond Lenharr and the "brother" of Raymond, Paul, and Urtha Lenharr, Charlie soon became accustomed to our American way of life.

Although he has been a conscientious student, he has found time to serve as an honorary member of Student Council and as an outstanding player on our soccer team. Swimming, playing tennis, and collecting stamps are among his other interests; his future goal is to study at the University of Turin to prepare himself as a language teacher.

When asked what he liked best about the United States, Charlie answered that he is unable to name any one thing in particular but finds our American school system quite an interesting switch from home. In general, he stated that Italy and the United States are very much alike, and anyone who is acquainted with Charlie and his great sense of humor will readily agree that he has been a good representative of his own hometown and a fine addition to the student body of Waynesboro Area Senior High.

Three of the "brothers."

Relaxing with the family pet and "Dad."

Pursuing a hobby.

Charlie and his "parents."

STUDENT COUNCIL

Progress was the password for this year's Student Council. By tradition it plays an important part in the coordination of school activities. It is composed of representatives from every phase of school life, and under the capable leadership of president Andy Bucke and direction of Miss Mikesell and Mr. Eberly, completed one of the most successful years in the history of the Council.

Andy, in addition to his duties as president, was one of two boys chosen from the Student Councils in Pennsylvania to represent the state at the Senate Youth Conference in Washington, D.C.

The primary purpose of the Student Council is to create and maintain high morale at WAHS; consequently, most of the projects for this year have been directed toward that end. The Council supervised such programs as the sale of activity tickets, the Hi-Hop and War Council, an open house for parents, the semi-formal Snow Ball Dance, the sorting and distributing of Christmas cards, the bulletin board contest, the Novel Computer Dance, and the selling of chocolate candy for next year's AFS Student.

HONOR SOCIETY

"I pledge myself to uphold the high purposes of the National Honor Society to which I have been elected; I will be true to the principles for which it stands; I will be loyal to my school; and will maintain and encourage high standards of Character, Scholarship, Leadership, and Service."

Taken by each junior and senior member is the foregoing pledge upon his induction into Honor Society. Any student maintaining a B or better in each major subject for a semester is considered in the other three qualifying categories of leadership, service, and character by each faculty member. Students qualifying for membership are invited to join either in the fall at the induction assembly presented

for the student body and parents or in the spring at an induction service held during meeting time.

Members provide individual tutoring services for any student desiring help throughout the year.

Under the guidance of Mrs. Bushman, Chairman of the Advisory Council, programs range from a talk presented by Charlie Bianchi, the foreign exchange student, to a Christmas party with games and refreshments.

The members of Honor Society are to be commended for their achievements for staying on the attendance roll of the society which is often more difficult than getting on it initially.

FUTURE NURSES CLUB

Future Nurses Club is valuable experience to prospective nurses because, under the leadership of Mrs. Altland, its activities are aimed to acquaint its members with all the nursing fields and to help them discover their potentials for nursing.

Future Nurses Club's major activity is volunteer service. Sophomore members serve in the snack bar at the hospital, junior members serve as nurse's aids, and senior members work at the Crippled Children's Clinic and at Hearthstone. Junior and senior members also work in the Health room during their study periods.

During the year, F.N.C. heard several guest speakers and toured several nursing schools. The Highlight of the year for F.N.C. was entering a float, entitled "Careers," in the Blue and Gold Action Day Parade. For projects this year, F.N.C. sold Christmas napkins and sent Christmas clothes and toys to Vietnam.

As an end to the busy year, F.N.C. held its annual banquet at which time the new officers were announced and merit awards were issued to deserving members.

FUTURE FARMERS OF AMERICA

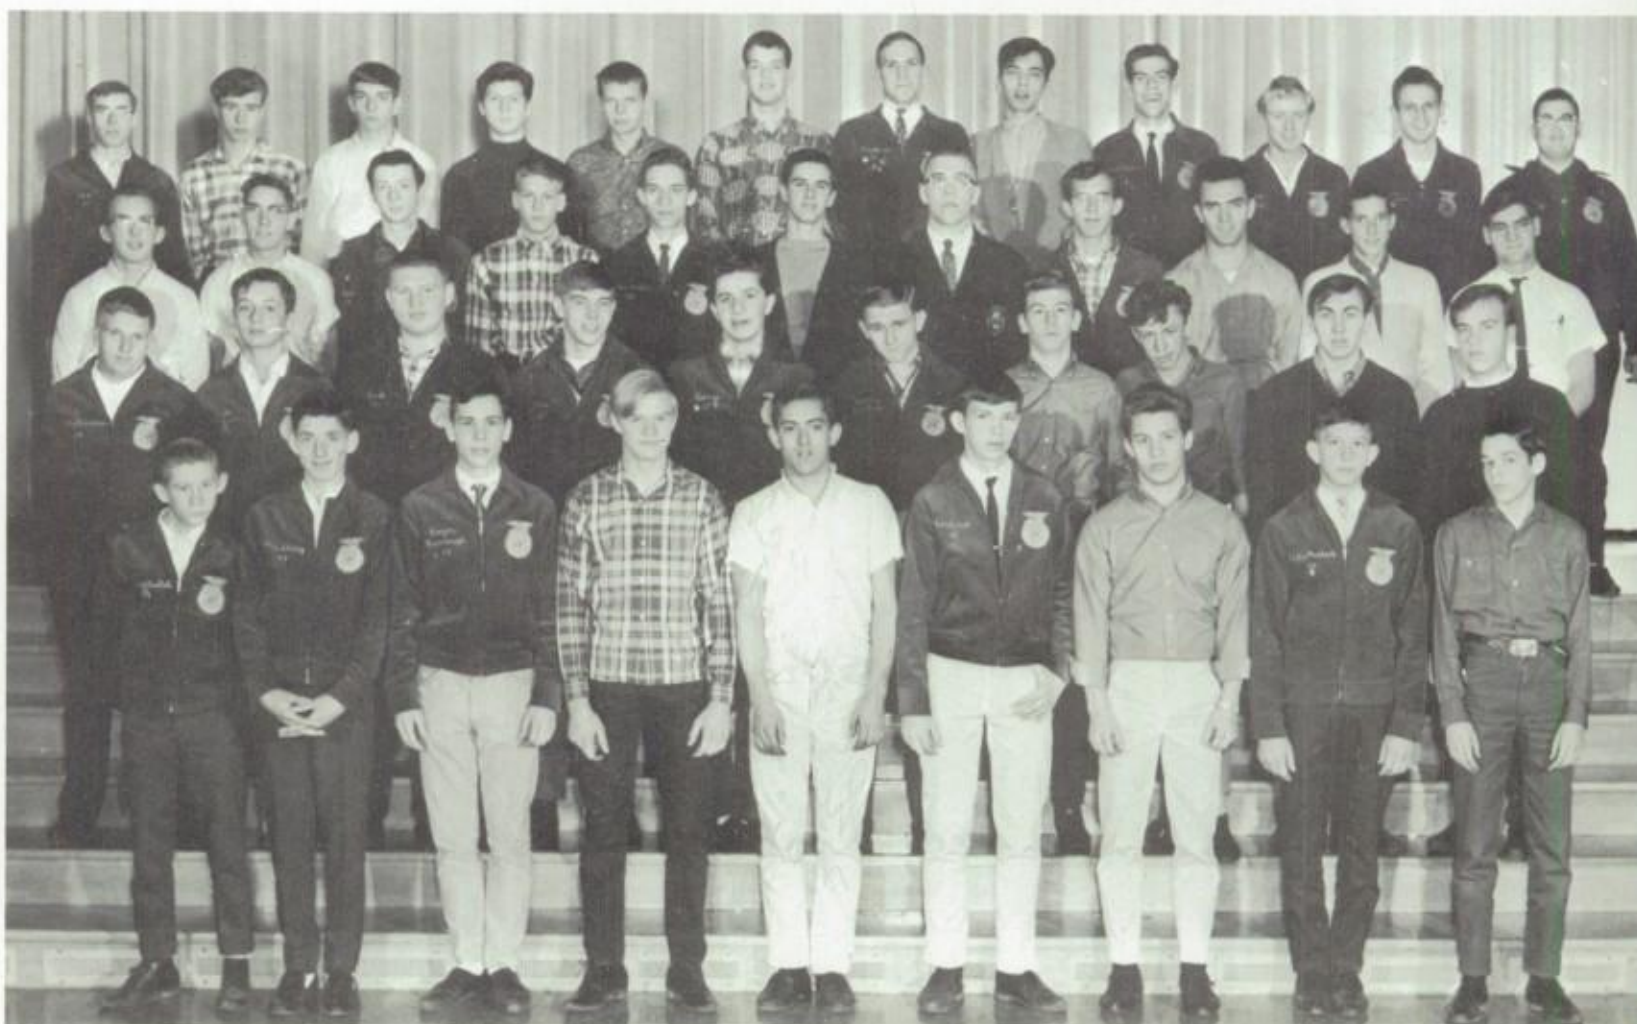

The FFA is an organization stemming from the vocational agriculture program. Its aim is to further the development of agriculture, leadership, cooperation, and citizenship in its members.

All members participated in judging events held at the South Mountain Fair. Nine members attended the state FFA convention at Pennsylvania State University and entered the state judging contest.

Fourteen project books of the members were entered in the Franklin County project contest; all fourteen books placed—with six of them taking first places. Members also attended the Pennsylvania Farm Show and the FFA convention at Harrisburg. Officers attended the FFA leadership conference at Harrisburg.

Various members took part in both the winter and summer jamborees. The Blue Ridge FFA basketball team was undefeated in the Franklin County League. Members sponsored a Donkey Ball Game and sold onion plants to raise money as a part of their many and varied activities.

FUTURE HOMEMAKERS OF AMERICA

Mmm . . . What's cooking?

All girls interested in becoming better homemakers and who are taking or have had Home Economics are eligible to join the Future Homemakers of America.

The club's main functions are to emphasize the importance of working for a good home and family life and to further interest in the home economics field.

The club's activities this year included field trips, guest speakers, and various parties. The highlight of the year's activities was the fashion show held in November. The profitable and successful result was due to the concurrent effort put forth by all the members.

The FTA explores the field of education from every point of view. Each member is given the chance to answer "Is teaching for me?"

The highlight of the year for the seniors was the cadet teaching program. Each taught the grade and subject of his choice for one week in elementary or junior high school in early February.

This active club enjoyed guest speakers and panel discussions. The treasury bulged after a successful food sale. Members attended conferences of the Pennsylvania Teaching Association in Harrisburg and Hershey.

The new advisor this year, Miss Horton, after thirty some years in her profession, is well able to advise young people concerning the field of teaching.

The basis of Tau Kappa Phi Sorority is service to the school and to the community.

This year has been an active one for the members of TKP. The "team boosting" posters in the halls for all sports and the decorated goal posts at football games make known the desire of sorority to build school spirit. At both Thanksgiving and Christmas, baskets of food were filled for needy families.

A new and interesting challenge confronted the girls when they decided to support a twelve-year-old orphan named Jose Julio dos Anjos do Nascimento from Brazil. On March thirty-first, TKP sponsored an April Fool's Dance and crowned a king as a money-making project.

The girls also held a cold but successful food sale in February.

The crippled children were entertained by the members with a puppet show and refreshments on St. Patrick's Day.

This year's club proved to be a success for the girls and their advisor, Mrs. Baylor. The club consisted of girls who were always ready and willing to cooperate.

SCIENCE CLUB

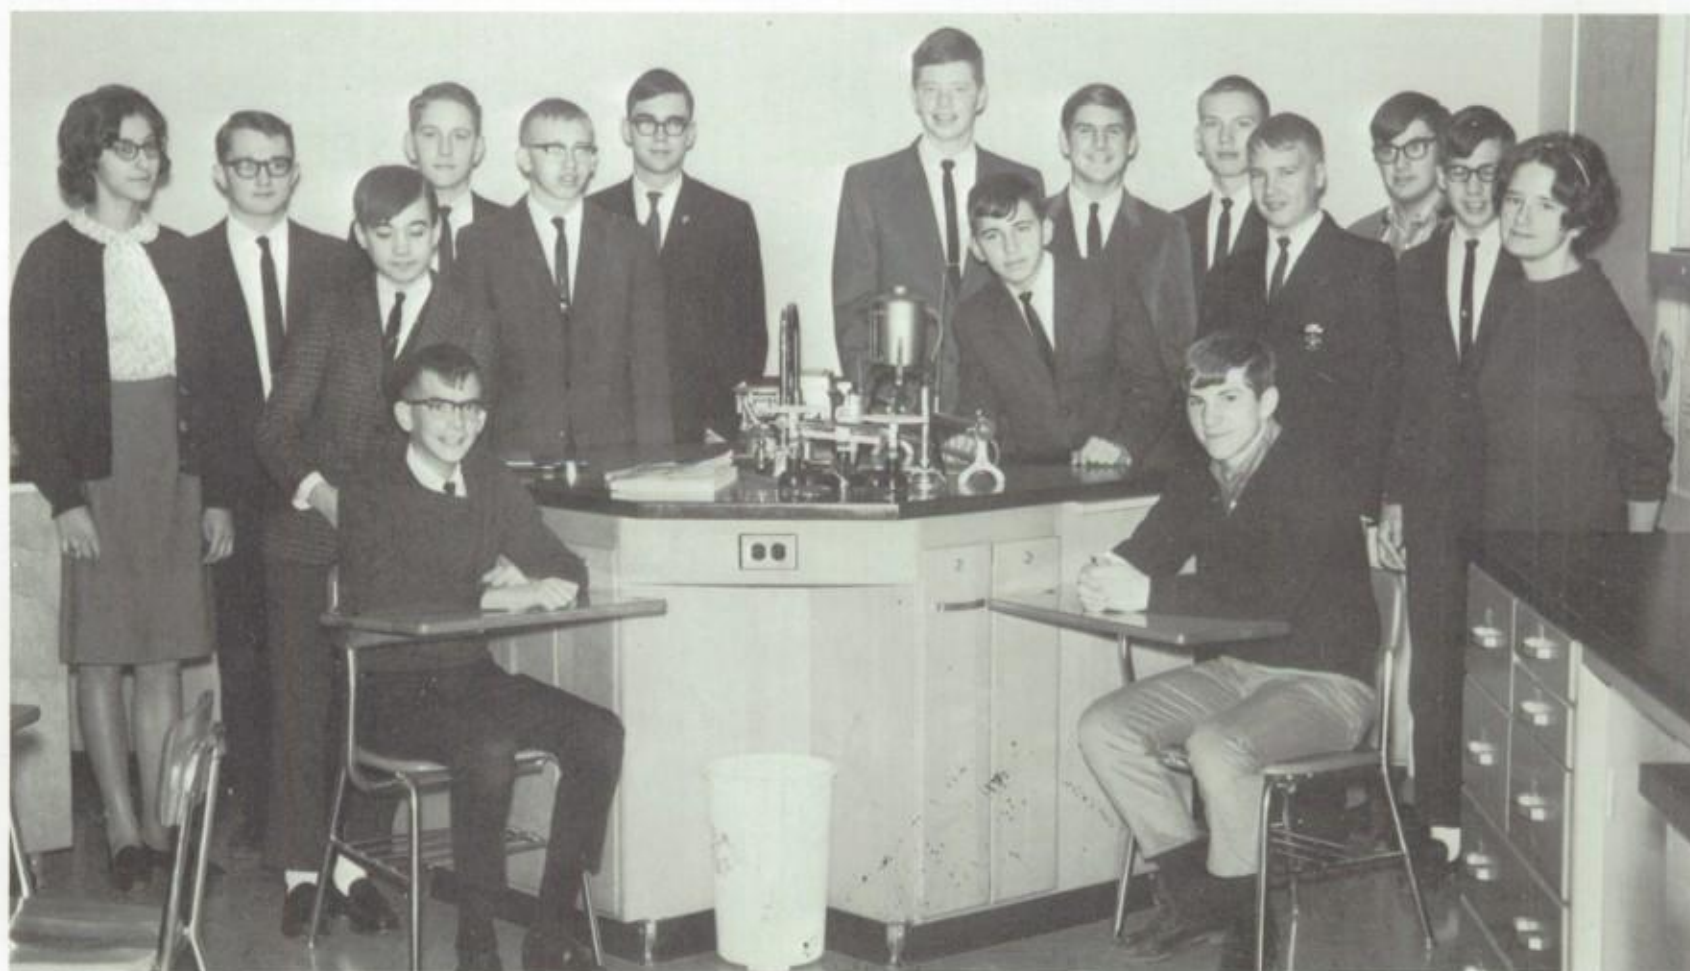

Being a member of Science Club allows a student to go beyond the realm of regular studies in the science classroom and to concentrate more extensively on various aspects of science. The programs presented at the Science Club meetings may pertain to either the physical sciences or the biological sciences and are quite varied. A Club member frequently leads a discussion on a particular aspect of science with which he is quite interested and familiar. Occasionally, an outside speaker presents the program or a film is shown. Another means by which the members acquaint themselves with the various fields of science is the field trip. Several are planned throughout the year to places of scientific interest in the immediate area and beyond. The sponsor of the Science Club is Mr. Warsing.

PARAMEDICAL CLUB

From infancy through the "toddler age," the Paramedical Explorers' Association now stands on firmer legs after completing its second year as a chartered organization.

The club attempted to accomplish its purpose of familiarizing members with various medical careers in two ways. First, it hosted such guest speakers as Dr. Robert Podboy, an optometrist, and Dr. Richard Stader, a bone specialist. Another meeting found the members in the court being given a "tour" of an ambulance. Secondly, the club, through the co-operation of Mr. Kenneth Courey, hospital administrator, was able to set up a volunteer service program for junior and senior members in several of the hospital departments, including work in laboratory technology, pharmacy, dietetics, and medical secretarial work. As the club members learned from guest speakers and through practical experience, the field of medicine is open wide with opportunity for young people with initiative and a concern for humanity.

MATH CLUB

On the first and third Mondays of each month, the members of Math Club meet to explore some of the topics not encountered in the regular courses of high school math. They have studied permutations and combinations. They hope to acquaint themselves with probability and chance, to learn the operations of the desk calculators, and to participate in the local high school math contest that was given on March ninth.

Many of the meetings are student-instructed. Math Club's purpose is to provide guidance for those persons considering careers in mathematics and in its related fields and to broaden the area of each member's knowledge of math.

BUSINESS CLUB

The principal aims of the Business Education Club are to promote high standards in the field of business and to develop initiative in commercial students.

This year's activities began with the sale of pom-poms, hats, and pins at football games. The club's dance, Sports-A-Go-Go, was a profitable success as a result of many long and tedious hours of preparation by the members. Other activities included a Christmas party, a field trip, and the annual picnic at which time the new officers were inducted. The club also built and entered a float in Waynesboro's annual Christmas parade.

In January, thirty-six new members endured the initiation conducted by the upperclassmen.

This club, along with the Business Department, helps prepare students for future work in the business world.

For the first time in many years, debate meetings resumed session. The club was chartered last year, and mock debates were the undertaking this year.

The debaters fought, squabbled, and steamed at each other over the pros and cons of the Vietnam issue. No competitive tournaments were entered, but the experience of thinking and talking constructively were the rewards for a year's work.

LIBRARY CLUB

"Where can I find *Alice in Wonderland*—in Latin, that is?" "Do you subscribe to *Mad*?" "Do you have *How to Win Friends and Influence People*?"

Making service to fellow students and school its highest aim, the Waynesboro High Library Club members contributed much in the way of assisting the librarian by relieving her of routine tasks during their study halls and after school hours.

In addition to sponsoring the annual Christmas party, the club also had a tea for the teachers during National Library Week and a banquet at the end of the year.

A special event in April was the annual conference of the Southern Pennsylvania Association of Library Assistants at Shippensburg State College. Marie DiGiammarino served as president of the group this year.

The woman "really behind the scenes" is Miss Mikesell. To some she is only the school librarian, but to the Library Club she is the "Swami" of librarians; the person—who, when in question—they could always get help on anything having to do with a library. Her secretary is a new face in school but not in our town, Mrs. Pryor.

MORNING ANNOUNCEMENTS

A debt of thanks is owed by the student body to the volunteers who gave up their homeroom periods—those last few minutes to cram—to bring to us the daily announcements over the public address system. A special note of thanks goes to Mrs. Eyler who provided the meditations and quotes for the day and to Sandy Zeigler.

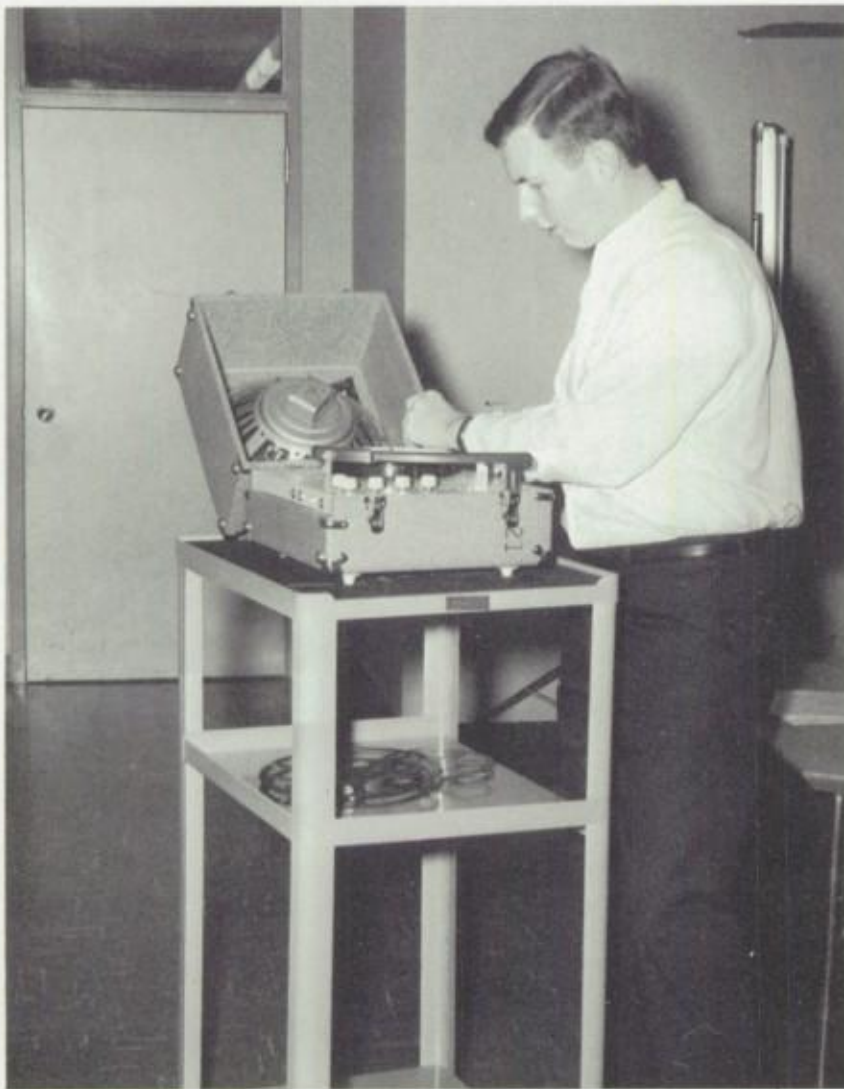

The quote for the year ...

I spoke a word, and no one heard;
 I wrote a word, and no one cared, or seemed
 to heed;
 But after half a score of years
 It blossomed in a fragrant deed.
 We never know
 To what one little word may grow.
 See to it then that all your seeds
 Be such as bring forth noble deeds.

John Oxenham

AUDIO-VISUAL CLUB

A group of young men who often perform invaluable but thankless tasks are the members of the Audio-Visual Club. Trained by Mr. Eberly, these boys not only transported projectors, screens, and reels, but also operated projectors for the less mechanical-minded teachers.

DRAMA CLUB

This year the Drama Club, under the advisorship of Mr. Rocks, has been a very active organization. Along with its annual Thanksgiving play, the club also staged a production of "The Mouse That Roared." The club has also made several field trips in the area to see plays put on by amateur and professional groups. As in every year, members of the club played a large role in helping to stage the All-School Production.

"BRIGADOON"

Could there possibly be a paradise on earth? It's doubtful, but the participants in the 1967 All-School Production came close to making their audiences believe it—and almost believed it themselves—when they presented three outstanding performances of Lerner and Loewe's "Brigadoon" March second, third and fourth.

The end result clearly indicated the many hours spent in preparation by actors, committees, and crews alike. The effective scenery combined with the moving singing and accomplished acting produced a dream-like illusion which will long linger in our memories.

SPORTSMEN'S CLUB

The Sportsmen's Club was established to develop the members' interest in hunting, fishing, archery, bowling, and other sports. Under the advisorship of Mr. Hughes, the club sponsors bowling, archery, and rifle tournaments. Along with the practical aspects of sports the club teaches good sportsmanship and safety measures.

GIRLS' BOWLING LEAGUE

A "spare" club is the WAHS Girls' Bowling League, which was newly chartered this year. Under the advisorship of Miss Bender, the girls bowl each Friday after school at the Waynesboro Bowling Center.

The eight teams in the League compete against one another for top honors with each team consisting of four girls.

The girls exchanged gifts at their annual Christmas party. An annual awards party was held, at which time trophies and bowling patches were presented.

WAYARIAN

The expression "there certainly is a lot of work involved in putting out a yearbook" has been said so often it is practically trite. Although this statement is valid, it is rarely said by a staff member because the satisfaction derived from yearbook work is much greater than the time and effort spent. Margie Biss, editor-in-chief, will verify this as she was one of the hard-working but most-satisfied members.

Every Tuesday afternoon and many an early Saturday morning found the staffs busily engaged in their task of compiling a complete and interesting record of the happenings at W.A.H.S. throughout the 1966-1967 school year.

There were many discouraging moments as the weeks flitted by and there were still pictures to be taken, layouts to be done, and copy to be typed; but as the final deadline approached "things" seemed to fall in line.

A great deal of thanks go to Mr. Rankin as overseer of the business staff and photographer, and to Mrs. Jones who was always there with the literary staffs while they were at work.

SENIOR CHOIR

The members of the Senior Choir are a select group of juniors and seniors. This year the Choir presented a number of programs for both school and community groups, including Greencastle Antrim High School, the First National Bank Christmas party, and the Rotary Club. Their repertoire included music of the ever-lasting value such as Handel's "Messiah" and "Gloria in Excelsis."

The highlight of the Christmas Concert was the presentation of "Amahl and the Night Visitors" by Menotti.

Accompanists are Miriam Washabaugh, Deborah Harris, and William Schlichter.

The Choir members can be justly proud of their achievements and in their growth in music appreciation and knowledge.

TRIBESMEN

"Brothers Sing On" was not only the title of one of the robust songs sung by the Tribesmen, but it could serve as a motto expressing a determination to carry on a proud tradition. A wide variety of folksongs, humorous songs, and hardy male songs, make the Tribesmen a popular group with the school and community.

GLEE CLUB

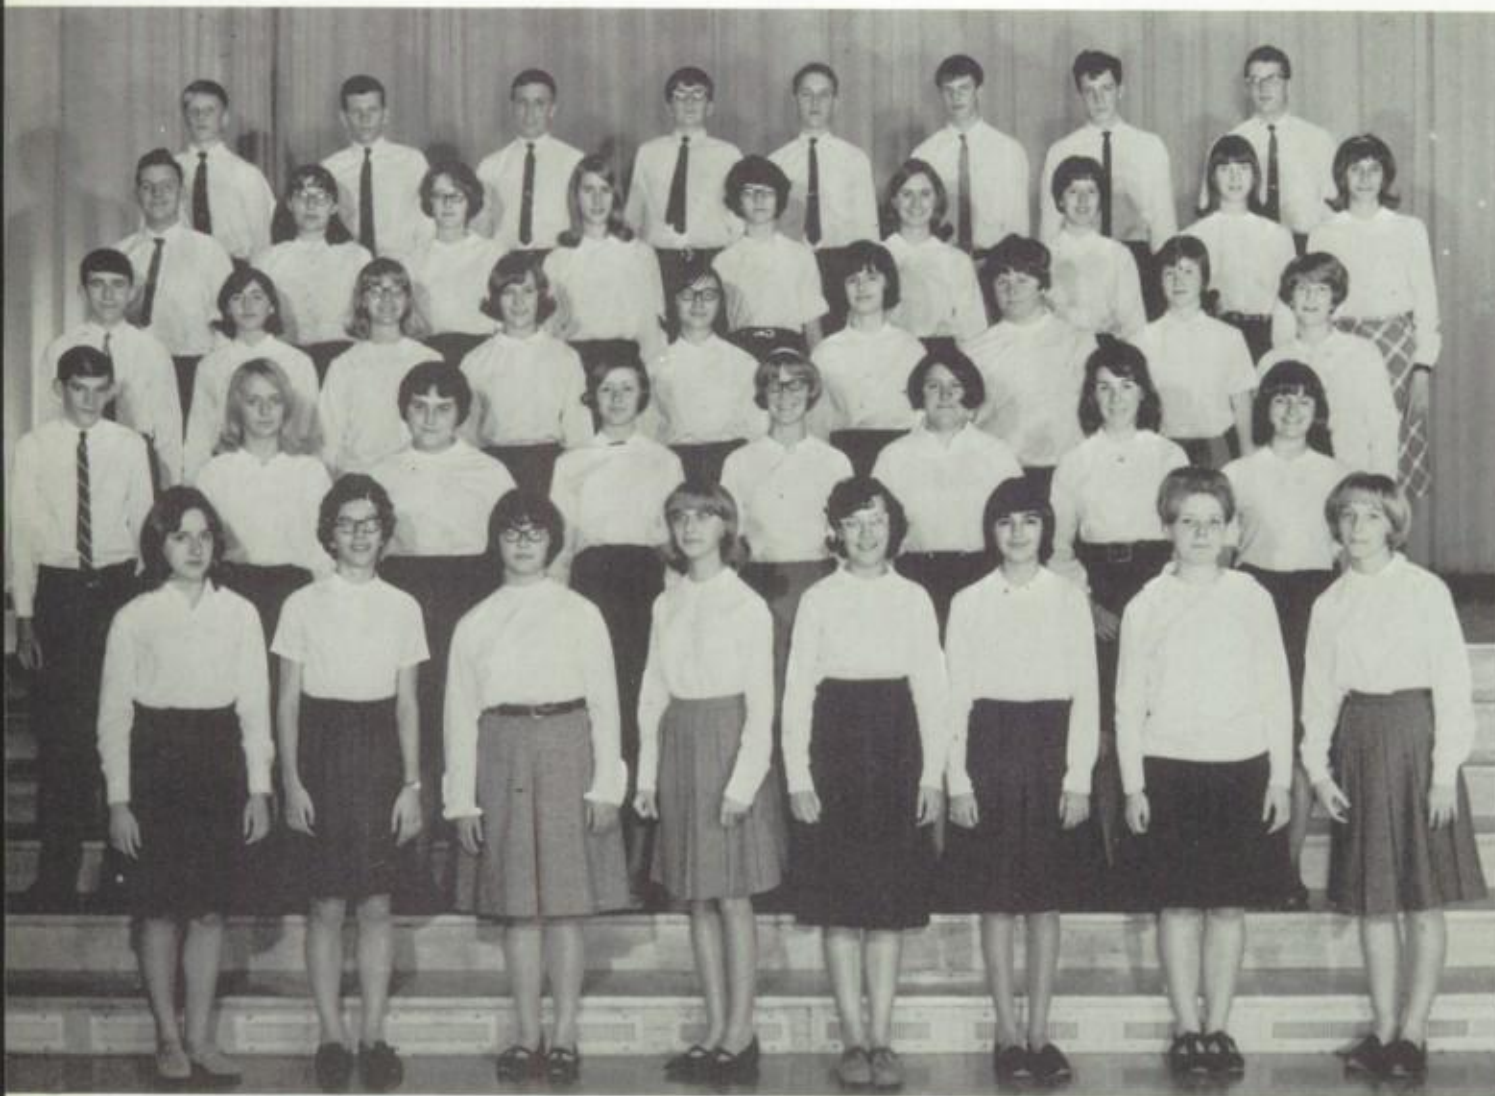

The girls' Glee Club offers junior and senior girls who enjoy singing and are willing to relinquish the first third of the fifth period on Wednesdays and Thursdays an opportunity to express their desires and talents. Conducted by Gerald Kowallis and accompanied by Deborah Harris and Miriam Washabaugh, this group presents enjoyable musical selections to the students in the Christmas season and in the spring. The Glee Club also participates in the annual public spring concert at the high school and occasionally performs outside of school.

SOPHOMORE CHOIR

Any sophomore who enjoys singing is eligible for Sophomore Choir. Participating in this group is a preparation for the other singing groups open to juniors and seniors. As part of the preparation, each choir member is given the opportunity to take voice lessons during his study halls.

Sophomore Choir meets on Wednesdays and Fridays during the seventh period and is under the leadership of Mr. Kowallis and accompanied by Martha Mills and Carroll Biesecker. At Christmas and in the spring, sophomore choir performs before the student body and also performs in the school's annual public spring concert.

ORCHESTRA

Above the din of the cafeteria on Wednesdays and Fridays can be heard the members of orchestra hard at work under the direction of Mr. Edelman. Among their repertoire, which they prepared during the year for public performances including the annual spring concert, were "In a Persian Market" by Hetelby, "Ebb Tide" by Maxwell, "Chop Sticks" by Evans, and "The Sleeping Beauty" by Tchaikovsky.

Perhaps the most formidable task that challenged the orchestra members was learning the music for "Brigadoon," the 1967 All-School Production. Included were such favorites as "It's Almost Like Being in Love," "Come to Me, Bend to Me," "The Heather on the Hill," and "Waitin' for My Dearie."

Another highlight of the year was playing for the performance of the Christmas opera, "Amahl and the Night Visitors" by Menotti.

THE BAND

"Babes in Toyland" and "Spanish Flea" bring back memories of autumn football games and hours of drillwork. "Hail to the Varsity" is synonymous with touchdown, goal, or victory. "March of the Olympians" means memorizing music and marching in parades, especially the Gimble's Thanksgiving Day Parade in Philadelphia, the big event of the year for the band. Don't forget! The trip was payed for by those remarkable band pens. Last but not least "Swing March" will remind band members of the trip to the Apple Blossom Festival in Winchester, Virginia.

The minds of the W.A.H.S. band members are filled with many other memories: band camp—hot afternoons of drill, fun-filled evenings, loads of excitement were the training ground for football season, Monday evening drills, riotous bus trips, falling and lost music, soaked uniforms, hoarse throats, victory marches, prizes, and Band Day at Gettysburg College. Assisting with the decisions of the Band Auxiliary and coordinating decisions with the band members themselves are the responsibilities of the Band Council. To them fell the jobs of deciding what parades to attend, what music to memorize, what kind of program to schedule for Band Camp, and what money-making projects to have.

VELVETONES

"Tea for one?"

The Velvetones, primarily known as dance band, gave performances this year at banquets and as a stage band. In the fall the group played for the Junior Miss Pageant, for the Future Homemakers Fashion show, and for "The Mouse That Roared." In the winter they gave performances at the Landis Machine Credit Union Banquet and the Boy Scout Recognition Banquet. In the spring they performed at both the East and West Junior High Ninth Grade Dances.

Members spend many evening hours practicing the big band numbers of the 40's and popular tunes of the day, under the capable direction of Mr. Zimmerman. They enjoy reproducing these golden classics as much as the audiences enjoy listening to them.

The Indians captured the co-championship of the Tri-state Conference with an overall record of 8-1. Under the fine coaching of William Zehler, the Indians smashed the all-time scoring record of 303, setting the new record at 308. The team closed their impressive season by defeating their strongest rival, the Chambersburg Trojans. All the Indians who played on the squad know the spirit, determination, and sweat that go into making a championship team.

Always vigorous practice after school ... experience ran second to sportsmanship ... all for one, one for all ... "Sure, coach, we'll do it!" and they did with a 5-1 record ... "This is our team and nobody's prouder!"

The Maidens worked and played hard in all their games trying to maintain their undefeated record for another season despite the loss of several valuable players. Undaunted by dropping the first game, 1-0 to Scotland, the Maidens succeeded in achieving their goal under the constant drill, effort, and fine coaching of Miss Bender and assistant coach, Miss Wilson.

OUR TEAM

Phil Gardner—great offensive player, saw limited action because of ankle injury, good team spirit ... + ... Greg Mason—reliable defensive as well as offensive player, and all-around support of the team ... + ... Tom Thompson—dependable ball handler with a good shooting eye, will to win ... + ... Gary Armour—keeps cool in excitement and grabs those rebounds, valuable defense for stealing that ball ... + ... Steve Fisher—sets up plays and shows his skill in ball handling, shooting, and rebounding ... + ... Barry Reed—accuracy in his jump shots, has that fighting, winning spirit ... + ... the depth and support of a fine second string ... = ... the great 1967 basketball team!!

Swish! and the score goes up another notch—2 points . . . Backed by the student body whether win or lose . . . Never-say-die spirit . . . Always on the ball . . . "Baskets! Baskets! We want baskets!"

Wrestling, the most individual interscholastic sport at Waynesboro High, is a most challenging one to undertake. This year's Indian Grapplers, under the instruction of Coach William Smith, developed strength, speed, and skill to produce their hard-fought victories. Their final record, 4-6-1, does not characterize the closeness of the matches, which were always received by enthusiastic crowds. Several of the boys attended sectionals to end the best season the wrestling team has had to date.

THE
MAGIC

Magic moments just happen once. On film they live forever. The trick, of course, is getting them on film.

Helping you do that is our business.

If you have a camera, you can look to us for tips on how to use it better, how to choose the right film, filters, or attachments. If you want to buy a camera, you'll find that certain models will suit your purposes better than others. We can help you with that choice. Just discuss your picture-taking goals with us.

Thanks to the overwhelming support given to us by the patrons of Waynesboro and surrounding communities, we were able to publish this year's edition of **THE WAYARIAN**. Without their financial reenforcement this endeavor could never have been accomplished. Therefore, we express our appreciation for their vested interest by having dedicated the preceding portion of the yearbook to them.

"FAREWELL"

A little work, a little play
To keep us going — and so good-day!

A little warmth, a little light
Of love's bestowing — and so, good-night!

A little fun, to match the sorrow
Of each day's growing — and so, good-morrow!

A little trust that when we die
We reap our sowing! and so — good-by!

George Du Maurier

May,

Remember all the crazy things we did in Trig and in other classes.
Best of luck in the future.

A.F.A.,

Karen Wise

Always Ray,
the classes we had together
(esp. MAUDE's). Best of luck
in the future and I hope you
succeed in all you do.

Kay, I wish to a nice girl.
Always remembered those good
Spanish classes. I don't think
they will be possible to forget. Don't
get into any trouble this summer.

Kay
Don't forget
the classes we've
shared together this
year that has finally
come to an end and
best of luck to you.

Kay,
Best of everything to a member of
the great class of '68. Keep smiling
and your life will always be
happy.
Have fun.

I hope your year
of school some like you are
a great one. Have a good
summer.
Kay

Dear Kay,
Remember all the
nice times we've had.
Especially the times we
stayed at the E-town basket ball game.
Always remember the nice long talks
we've had. Especially the times we poured
out our hearts. Thanks for all the many things you've
done for me and helped me with. Never forget those
Trig and Spanish classes. Best of luck in the future.
in all your endeavor to do.

Best of luck in
the future. Don't
forget the Spanish
class = 20 60 20.

A friend always,
Angie Plum

Key,
A real sweet
girl scout who always
seemed to get me into
trouble. Best of wishes in the
future and my all your dreams
come true. Stay like you are.
God Bless
